02 / Quotes & monthly inputs

Keep each amount with its source. Count each bill once. Blank amounts are unconfirmed, not free services.

Housing Source: Not recorded	**Not entered**
Utilities & internet Source: Not recorded	**Not entered**
Transport Source: Not recorded	**Not entered**
Food & household Source: Not recorded	**Not entered**
Childcare & care Source: Not recorded	**Not entered**
Insurance / debt / other Source: Not recorded	**Not entered**

Annual bills

Annual bills not counted above	**Not entered**
Monthly share of annual bills	**$0.00**

03 / Your monthly outlook

Calculated from your entries. The cushion is set aside separately. No existing savings balance is included. These are your quotes and assumptions, not local price estimates.

Monthly take-home income	**Not entered**
Planned monthly costs	**$0.00**
Monthly cushion selected	**$0.00**
Left after costs & cushion	**Add income**

Test an unexpected bill

Unexpected bill tested	**$0.00**
Cushion used first	**$0.00**
Cushion remaining	**$0.00**
Left after the bill & remaining cushion	**Add income**

MY NEXT STEP

Write who you will contact, what you will check, and when.

_____
